eeeeem18

An evening of experimental electronic and electroacoustic music

In its first year, **eeeeem18** is happening on April 13, 2018 at the Williams Center for the Arts in Rutherford, New Jersey will be exactly as billed: “An Evening of Experimental Electronic and Electroacoustic music.”

Sponsored by GI Design Studio LLC in coordination with The NorthEast electro-music Festival, **eeeeem18** is a satellite event and new member to the **electro-music.com** family. It follows a 30-minute-per-artist performance format with an experimental avantgarde philosophy, in tandem with video artists, for an immersive artistic experience. The NorthEast electro-music Festival is known as the “Woodstock of electronic music,” and “the world’s premiere event for experimental electronic music” which is a separate event happening in Homer, NY this fall.

Performers include:

ATONAL	Dan Miñoza	PYXL8R	Symmetry
dRachEmUsiK	NAILGUN	Ombient	video artists
Robert Dorschel	Mario-Enrique Paoli	Sparse	and special guests
